Index to Volume XXX

This is an author-and-subject index to editorials, articles, book reviews, and reports in the four issues of Volume XXX of *Baptist History and Heritage*. In author entries a writer's name is followed by a chronological listing of the titles of each article or editorial prepared by that person. The reference data after each title contains five elements; volume number, issue number, page number, month of publication, and year of publication. To illustrate: 30:2.4;4/95 refers to Volume 30, number 2, page 4 (April 1995 issue). Page numbers refer only to the initial pages of articles.

In subject entries, including names of persons treated as subjects, a subject is followed by a chronological listing of references to that subject. Titles are not included as a separate category.
